

TYPE V: SNAP-IN BUMPERS

Looking for a bumper? Below are the wide variety of standard injection molded plastic stem bumpers/snap-in bumpers offered by Komtech. Our many stock sizes and styles are made from Polyethelene or our amazing new rubber-like polylastomer® formulations. polylastomer bumpers are designed to replace old-fashioned rubber parts with better properties and 30% lower prices. If none of our stock parts meet your needs, you can [Fax](#), [Mail](#) or [E-mail](#) the details of your application to us and we will quickly provide you with our design input and quotation
